'YOU SAID WE DID'

YOU SAID...	WE DID...
You wanted badges for all School Council members	All Year Council and Whole School Council members now have badges
You wanted greater student involvement during Digital Safety Weeks	We supported students to deliver Digital Safety Week assemblies and held a poster competition for all students to enter
You felt that Digital Safety week was too frequent and the message was getting too diluted	We reduced the number of Digital Safety Weeks to two per year following this feedback.
You wanted better advertising of what is available on the menu	We have made signs more prominent, put menus for the following week up on Frog and put menus up on digital screens in the dining room
You wanted the toilets to improved	We have started to address the issues with the toilets in school starting with the Dining Room toilets which were given a makeover over the Easter break. We will continue to improve the toilets elsewhere in school, particularly the PE block.
You wanted a more varied breakfast menu	We now have a different special of the day Monday to Friday
You wanted more pizza toppings	This has been trialed but students just keep asking for plain cheese and tomato
You wanted different fillings in Panini's	A number of different fillings have been introduced and will continue to be trialed on-going
You wanted popcorn as a snack at break times	We did a small trail and students requested sweet popcorn which we can't provide. It was also hard to produce in a high volume. Now received a machine so we can trail again in bigger volumes.
You wanted granola yoghurt pots	These have been introduced and have been quite popular so will stay on offer every break
You wanted fresh fruit pots at morning break	These have been introduced and have been quite popular so will stay on offer every break
You wanted beans on toast at mid-morning break	This will now be trialed after now that we have plates and cutlery
You wanted different breads on the sandwich bar as current bread was often dry	A variety of different breads have been trialed on the sandwich bar and this will be continued on-going
You wanted hot drinks at break time	A new coffee machine has been installed and hot drinks have been very popular
You wanted flavoured water	We now sell a variety of flavoured water
You wanted metal cutlery and proper plates and bowls	These have now been introduced into the dining room
You wanted bowls for pasta instead of plates to	These have been sourced and will be in place by

'YOU SAID WE DID'

stop the pasta spilling onto trays	September
You wanted more recycling bins in the dining room	We have now introduced a new recycling system both in the dining room and throughout the rest of the school. There are now more bins in the dining room
You wanted the dining room to be updated	The dining room has now undergone a big makeover to make it more colourful and exciting
You wanted more seating in the dining room	New seating has been introduced into the smaller dining room
Year 11 wanted a Year book	We supported the creation of a Year Book which was a success and will consider making this a regular occurrence
